Clawback mechanism:

The Grant of RSUs to the RSU Grantees is subject to the clawback mechanism under the Post-IPO RSU Scheme in the event that the Board determines a grantee ceasing to be an eligible person by the reason of acts including without limitation:

REASONS FOR AND BENEFITS OF THE GRANT OF RSUs AND THE GRANT OF SHARE OPTIONS

The purposes and the objectives of the Post-IPO RSU Scheme and the Post-IPO ESOP include to: (i) recognize the contributions by the selected participants; (ii) encourage and retain such individuals for the continual operation and development of the Group; (iii) provide additional incentives for them to achieve performance goals; (iv) attract suitable personnel for further development of the Group; and (v) motivate the selected participants to maximize the value of the Company for the benefits of both the selected participants and the Company, with a view to achieving the objectives of increasing the value of the Group and aligning the interests of the selected participants directly to the shareholders of the Company through ownership of Shares.

The reasons for the Grant of RSUs and the Grant of Share Options are to provide incentives for the RSU Grantee and the Share Option Grantees to exert maximum efforts and reward their continued efforts for the success of the Group, and to provide a means by which the RSU Grantee and the Share Option Grantees may be given an opportunity to benefit from increases in value of the Shares through the Grant of RSUs and the Grant of Share Options. It is considered that the grants under the Post-IPO RSU Scheme and the Post-IPO ESOP will provide incentives to the employees of the Group and Service Providers to further contribute to the Group and to align their interests with the best interests of the Company and the Shareholders as a whole. The Grant of RSUs and the Grant of Share Options form part of the remuneration to the RSU Grantees and the Share Option Grantees.

For the above reasons, the Board (including all the independent non-executive Directors but excluding Dr. Jianxin Yang who had abstained from voting on the resolutions relating to RSUs and Share Options proposed to be granted to himself and had not been counted towards the quorum of the Board meeting in respect of such resolutions) is of the view that the RSUs and the Share Options proposed to be granted to the RSU Grantees and the Share Option Grantees (including the amount of the RSUs and the Share Options) are fair and reasonable and in the interest of the Company and the Shareholders as a whole. In accordance with Rule 17.04(1) of the Listing Rules, the Grant of RSUs and the Grant of Share Options to Dr. Jianxin Yang have been approved by all of the independent non-executive Directors and also have been reviewed and approved by the Compensation Committee.
